This AGENDA contains a brief general description of each item to be considered. The posting of the recommended actions does not indicate what action may be taken. Agenda Items. Those wishing to address the Architectural Heritage and Landmarks Commission (AHLC) on a scheduled agenda item should fill out a speaker card and give it to the Secretary. Speaker time limits for scheduled agenda items are five minutes for designated spokespersons for a group and three minutes for individuals.

Disclosure Requirements. Government Code Section 84308(d) sets forth disclosure requirements that apply to persons who actively support or oppose projects in which they have a "financial interest," as that term is defined by the Political Reform Act of 1974. If you fall within that category, and if you (or your agent) have made a contribution of \$250 or more to any commissioner within the last twelve months to be used in a federal, state, or local election, you must disclose the fact of that contribution in a statement to the Commission.

Notice of Availability of Public Records: All public records relating to an open session item, which are not exempt from disclosure pursuant to the Public Records Act, that are distributed to a majority of the AHLC will be available for public inspection at City Hall, 555 Santa Clara St., 2nd Floor, or the Vallejo Public Library, 505 Santa Clara St. at the same time that the public records are distributed or made available to the AHLC. Such documents may also be available on the City of Vallejo website at www.ci.vallejo.ca.us subject to staff's ability to post the documents prior to the meeting.

Appeal Rights. The applicant or any party adversely affected by the decision of the Architectural Heritage and Landmarks Commission may, within ten days after the rendition of the decision of the Architectural Heritage and Landmarks Commission, appeal in writing to the City Council by filing a written appeal with the City Clerk. Such written appeal shall state the reason or reasons for the appeal and why the applicant believes he or she is adversely affected by the decision of the Architectural Heritage and Landmarks Commission. Such appeal shall not be timely filed unless it is actually received by the City Clerk or designee no later than the close of business on the tenth calendar day after the rendition of the decision of the Architectural Heritage and Landmarks Commission. If such date falls on a weekend or City holiday, then the deadline shall be extended until the next regular business day.

Notice of the appeal, including the date and time of the City Council's consideration of the appeal, shall be sent by the City Clerk to all property owners within two hundred or five hundred feet of the project boundary, whichever was the original notification boundary.

The Council may affirm, reverse or modify any decision of the Architectural Heritage and Landmarks Commission which is appealed. The Council may summarily reject any appeal upon determination that the appellant is not adversely affected by a decision under appeal.

If any party challenges the Architectural Heritage and Landmarks Commission's actions on any of the following items, they may be limited to raising only those issues they or someone else raised at the hearing described in this agenda or in written correspondence delivered to the Secretary of the Commission.
