This AGENDA contains a brief general description of each item to be considered. The posting of the recommended actions does not indicate what action may be taken. If comments come to the Planning Commission without prior notice and are not listed on the AGENDA, no specific answers or response should be expected at this meeting per State law.

Agenda Items: Those wishing to address the Commission on a scheduled agenda item should fill out a speaker card and give it to the Secretary. Speaker time limits for scheduled agenda items are five minutes for designated spokespersons for a group and three minutes for individuals.

Notice of Availability of Public Records: All public records relating to an open session item, which are not exempt from disclosure pursuant to the Public Records Act, that are distributed to a majority of the Planning Commission will be available for public inspection at City Hall, 555 Santa Clara St., 2nd Floor, or the Vallejo Public Library, 505 Santa Clara St. at the same time that the public records are distributed or made available to the Planning Commission. Such documents may also be available on the City of Vallejo website at www.ci.vallejo.ca.us subject to staff's ability to post the documents prior to the meeting.

Disclosure Requirements: Government Code Section 84308 (d) sets forth disclosure requirements which apply to persons who actively support or oppose projects in which they have a "financial interest", as that term is defined by the Political Reform Act of 1974. If you fall within that category, and if you (or your agent) have made a contribution of \$250 or more to any commissioner within the last twelve months to be used in a federal, state or local election, you must disclose the fact of that contribution in a statement to the Commission.

Appeal Rights: The applicant or any party adversely affected by the decision of the Planning Commission may, within ten days after the rendition of the decision of the Planning Commission, appeal in writing to the City Council by filing a written appeal with the City Clerk. Such written appeal shall state the reason or reasons for the appeal and why the applicant believes he or she is adversely affected by the decision of the Planning Commission. Such appeal shall not be timely filed unless it is actually received by the City Clerk or designee no later than the close of business on the tenth calendar day after the rendition of the decision of the Planning Commission. If such date falls on a weekend or City holiday, then the deadline shall be extended until the next regular business day.

Notice of the appeal, including the date and time of the City Council's consideration of the appeal, shall be sent by the City Clerk to all property owners within two hundred or five hundred feet of the project boundary, whichever was the original notification boundary.

The Council may affirm, reverse or modify any decision of the Planning Commission which is appealed. The Council may summarily reject any appeal upon determination that the appellant is not adversely affected by a decision under appeal.

If any party challenges the Planning Commission's actions on any of the following items, they may be limited to raising only those issues they or someone else raised at the public hearing described in this agenda or in written correspondence delivered to the Secretary of the Planning Commission.

11. PUBLIC HEARINGS

- A. Project Number: **Use Permit #12-0003**
Applicant: Planet Fitness Corporation, c/o Joseph Freschi
Location: 3505 Sonoma Blvd., Suite 40
Proposal: On July 18, 2011, the Planning Commission approved a request from Planet Fitness to operate a new health club in the Vallejo Plaza shopping center. Due to multiple member requests, Planet Fitness management has petitioned to amend their use permit, extending their 24-hour operation to include Saturday and Sundays. Because the business will be located within 300 feet of a residential use; an amendment to their Major Use Permit is required, per Section 16.57.030 of the Vallejo Municipal Code (VMC).
- Environmental Determination: Pursuant to the California Environmental Quality Act (CEQA), the proposed project qualifies for a Class I Categorical Exemption (Existing Facilities), per Section 15301 of Title 14 of the California Code of Regulations, as it involves permitting no expansion of the existing building.
- Staff Recommendation: Approve the Major Use permit amendment, based on the attached Resolution and Conditions of Approval
- Project Manager: Marcus Adams, (707) 648-5392, marcusadams@ci.vallejo.ca.us
- B. Project Number: **Planned Development Unit Plan #12-0001/PUD#575A**
Applicant: City of Vallejo Planning Division
Location: 1001 and 1041 Admiral Callaghan Lane
Proposal: The project involves a City-initiated amendment of Planned Unit Development (PUD) #575, which is part of the Northeast Quadrant Gateway Plan. The Development Standards and Guidelines for the Gateway Plan approved by the Planning Commission in 1985 only permits an automobile dealership at 1001 Admiral Callaghan Lane and compatible land uses in the remaining area. The proposed amendment will allow additional commercial uses within the entire PUD area consistent with those permitted in the adjacent PUD.
- Environmental Determination: An Environmental Impact Report for the Northeast Quadrant Gateway was certified by the Planning Commission on January 17, 1984. The addition of other permitted land uses will not have any new significant environmental impacts or any substantial increase in the severity of previously identified significant effects.
- Staff Recommendation: Approve based on the Resolution.
- Project Manager: Michelle Hightower, (707) 648-4506, mhightower@ci.vallejo.ca.us

- C. *The following item is being continued to May 7, 2012*
 - Project Number: **Site Development #11-0005**
 - Applicant: Stantec Architecture, c/o City of Vallejo
 - Location: Curtola Parkway @ Lemon Street
 - Proposal: The City of Vallejo is proposing a Transit Center which would consist of a transit plaza and three parking structures totaling 1,160 parking spaces at the current “park and ride” surface parking lot at Curtola Parkway and Lemon Street. Total build out of the Center would occur in three phases and is intended to meet parking demands for the year 2025.

 - Environmental Determination: Pursuant to the California Environmental Quality Act (CEQA), the proposed project has the potential for causing significant effects on the environment and is subject to an Environmental Impact Report (EIR), per Section 15060(d) of the California Environmental Quality Act.

 - Staff Recommendation: Recommend approval of the site development application and adoption of the EIR based on the attached Resolution, Conditions of Approval, and Mitigation Monitoring Plan.

 - Project Manager: Marcus Adams, (707) 648-5392, marcusadams@ci.vallejo.ca.us
