This AGENDA contains a brief general description of each item to be considered. The posting of the recommended actions does not indicate what action may be taken. If comments come to the Planning Commission without prior notice and are not listed on the AGENDA, no specific answers or response should be expected at this meeting per State law.

Agenda Items: Those wishing to address the Commission on a scheduled agenda item should fill out a speaker card and give it to the Secretary. Speaker time limits for scheduled agenda items are five minutes for designated spokespersons for a group and three minutes for individuals.

Notice of Availability of Public Records: All public records relating to an open session item, which are not exempt from disclosure pursuant to the Public Records Act, that are distributed to a majority of the Planning Commission will be available for public inspection at City Hall, 555 Santa Clara St., 2nd Floor, or the Vallejo Public Library, 505 Santa Clara St. at the same time that the public records are distributed or made available to the Planning Commission. Such documents may also be available on the City of Vallejo website at www.ci.vallejo.ca.us subject to staff's ability to post the documents prior to the meeting.

Disclosure Requirements: Government Code Section 84308 (d) sets forth disclosure requirements which apply to persons who actively support or oppose projects in which they have a "financial interest", as that term is defined by the Political Reform Act of 1974. If you fall within that category, and if you (or your agent) have made a contribution of \$250 or more to any commissioner within the last twelve months to be used in a federal, state or local election, you must disclose the fact of that contribution in a statement to the Commission.

Appeal Rights: The applicant or any party adversely affected by the decision of the Planning Commission may, within ten days after the rendition of the decision of the Planning Commission, appeal in writing to the City Council by filing a written appeal with the City Clerk. Such written appeal shall state the reason or reasons for the appeal and why the applicant believes he or she is adversely affected by the decision of the Planning Commission. Such appeal shall not be timely filed unless it is actually received by the City Clerk or designee no later than the close of business on the tenth calendar day after the rendition of the decision of the Planning Commission. If such date falls on a weekend or City holiday, then the deadline shall be extended until the next regular business day.

Notice of the appeal, including the date and time of the City Council's consideration of the appeal, shall be sent by the City Clerk to all property owners within two hundred or five hundred feet of the project boundary, whichever was the original notification boundary.

The Council may affirm, reverse or modify any decision of the Planning Commission which is appealed. The Council may summarily reject any appeal upon determination that the appellant is not adversely affected by a decision under appeal.

If any party challenges the Planning Commission's actions on any of the following items, they may be limited to raising only those issues they or someone else raised at the public hearing described in this agenda or in written correspondence delivered to the Secretary of the Planning Commission.

11. PUBLIC HEARINGS

- A. Project Title: Sonoma Blvd. Corridor Design Plan; LRP #12-0001
Project Description: The Sonoma Boulevard Corridor Design Plan (Plan) is a community based plan that provides a planning framework to catalyze the economic growth of the corridor and surrounding areas; creates an improved and environmentally sustainable streetscape area; and implements a cohesive approach to enhance the character and development of Sonoma Boulevard. The Plan will promote the economic vitality, pedestrian and bicycle safety, and social and environmental health for the area and the entire city. The Plan is a policy level document that does not propose any specific development, and does not provide specific details regarding future land use decisions. All future development or roadway modifications resulting from implementation of the Plan would be required to be in accordance with local regulations, including the General Plan and Zoning Ordinance. Environmental impacts of subsequent development projects would be considered pursuant to CEQA on a case-by-case basis following submittal of a specific development proposal.
- Environmental Determination: Pursuant to the California Environmental Quality Act (CEQA), an Initial Study and Declaration for the Design Plan was prepared by the City and made available to the public for review on November 10, 2012.
- Staff Recommendation: Approve a Resolution to forward a recommendation to City Council to Adopt the Negative Declaration and LRP #12-0001
- Project Manager: Bill Tuikka, (707) 648-5391, btuikka@ci.vallejo.ca.us
- B. Project Title: Major Conditional Use Permit; UP #12-0005
Project Description: The applicant is petitioning the City to serve beer and wine at a new restaurant located near the intersection of Tuolumne and Broadway Street. The commercial space was formally occupied by Frattelo's Italian Cuisine. El Centenario restaurant would serve alcohol during their proposed business hours, Monday-Saturday, 11:00 a.m. to 11:00 p.m., Sunday 11:00 a.m. to 9:00 p.m. and include live bands and karaoke entertainment.
- The project was originally scheduled to be heard by the Planning Commission September 5, 2012, but was postponed due to the applicant's desire to have a full Commission at the hearing and to address customer parking issues.
- Environmental Determination: The proposed project qualifies for a Class I Categorical Exemption (Existing Facilities), per Section 15301 of Title 14 of the California Code of Regulations.
- Staff Recommendation: Approve the major use permit, based on the Resolution and Conditions of Approval.
- Project Manager: Marcus Adams, (707) 648-5392, marcusadams@ci.vallejo.ca.us

- C. Project Title: Major Conditional Use Permit Amendment; UP #12-0009
 Project Description: Recology Vallejo is petitioning the City to allow the addition of food material to their “green waste” program. The green waste collection program is a component of the recycling facility operation originally approved in 1987. Staff has determined that the addition of food materials (estimated at less than 5%) is consistent with the parameters of the 1987 Major Conditional Use Permit (UP #87-27); however, staff believes that additional conditions of approval related to the business operations should be added to the Use Permit to address concerns associated with odor and traffic.
- Environmental
 Determination: The proposed project qualifies for a Class I Categorical Exemption (Existing Facilities), per Section 15301 of Title 14 of the California Code of Regulations.
- Staff Recommendation: Approve the major use permit, based on the Resolution and Conditions of Approval.
- Project Manager: Marcus Adams, (707) 648-5392, marcusadams@ci.vallejo.ca.us
