Do you rent a berth at the Vallejo Municipal Marina and if so how long have you had a berth at this facility?	No, I do not rent a berth at the Vallejo Municipal Marina.
Do you rent a berth at another facility? If so where do you rent and how long have you rented this space?	No, I do not rent a berth at another facility.
Why are you interested in serving on this committee?	My family and I recently moved to Vallejo. We live a couple blocks from the Marina and I walk my dogs along the river most days of the week. I'm interested in learning about the activities along the waterfront and contributing to the conversation to inform future decision-making.
What skills, experience and/or knowledge would you bring to this committee?	On a personal level, I would not bring significant maritime experience to the committee. I grew up in Minnesota and spent time on lakes; my experience with the Bay and the Napa River are only since I moved to Vallejo. Professionally, I've been involved with planning studies related to navigation improvements and flood risk management throughout the Southwest. My doctorate degree is in Environmental Science and Public Policy, and my dissertation was on the functions and values of wetlands related to water quality in the Chesapeake Bay.

<p>Why is the marina important to the City?</p>	<p>The marina sets the City of Vallejo apart. Vallejo is unique in the area in both its relationship to the Napa River and the access it provides to the Bay. I see the marina as a major city asset, and one that warrants attention and deliberate decision-making. In particular, the growth and development on Mare Island needs to be well coordinated with the needs of the marina.</p>
<p>The committee generally meets once a month on the first Thursday at 5:00 p.m. Will this be a problem with your schedule?</p>	<p>I do travel occasionally for business, but don't anticipate it would be a problem for participating on the committee.</p>
