Why are you interested in serving on this committee?:

As a live-aboard member of the marina community I am interested in participating in how the marina continues along the course of its excellent come-back progress.

What skills, experience and/or knowledge would you bring to this committee?:

I am an excellent manager of people and projects, a strong team player and negotiator, with a nautical background that seems well-suited to this particular role.

Why is the marina important to the City?:

As part of the larger waterfront that provides unique character to Vallejo, the marina represents an affordable level of access to the people of Vallejo that is both unusual for cities of our size and also unique in the Bay Area. Rather than being hidden away or difficult to find, our public marina is regularly used and viewed by hundreds of people daily, walkers, customers of the various restaurants, boaters, etc. All easily seen, which makes for an excellent, unique calling card for the city.

The committee generally meets once a month on the first Thursday at 5:00 p.m. Will this be a problem with your schedule? :

No problem at all.
