Do you rent a berth at another facility? If so where do you rent and how long have you rented this space?	No.
Why are you interested in serving on this committee?	Decisions made by the city directly affect my berthing situation.
What skills, experience and/or knowledge would you bring to this committee?	I had a 45-year career in Information Technology. I spent ten or more years as an independent consultant in all aspects of business management. Currently I work for the Solano Community Foundation as its development associate. In this position, i write all press releases, Facebook posts, and grant applications. I also represent the Foundation at chamber of commerce events and other county-wide committees as assigned.
Why is the marina important to the City?	It is an important source of revenue and it affords visitors a place to berth while visiting Vallejo and the wine country of Solano and Napa counties. Many transients berth here while on their way south, or while fishing the waters of San Francisco Bay and the ocean outside the Golden Gate.

<p>The committee generally meets once a month on the first Thursday at 5:00 p.m. Will this be a problem with your schedule?</p>	<p>Because of my work schedule at Solano Community Foundation (www.solanocf.org) the earliest I can attend a meeting is 5:30.</p>
