Do you rent a berth at another facility? If so where do you rent and how long have you rented this space?	No
Why are you interested in serving on this committee?	To help focus resources and energy to maintain and improve the waterfront and marina. I'd like to see Vallejo become a destination for boaters to visit.
What skills, experience and/or knowledge would you bring to this committee?	I have a pretty good idea what boaters are looking for. As a Realtor, I am very interested in preserving the existing uses and adding interest to the waterfront.
Why is the marina important to the City?	Sometimes I wonder if the City actually thinks it is important. Staff does a wonderful job with the few resources they have. Everyone loves a marina and seeing the boats. Currently, I think it is underutilized in attracting businesses and residential development.
The committee generally meets once a month on the first Thursday at 5:00 p.m. Will this be a problem with your schedule?	I'm good with that time.
