Materials related to an item on this agenda submitted to the Planning Commission after distribution of the agenda packet are available for public inspection on the table in front of Council Chambers during normal business hours. Such documents are also available on the City of Vallejo website at <http://www.ci.vallejo.ca.us> subject to staff's ability to post the documents before the meeting.

Those wishing to address the Commission on a scheduled agenda item should fill out a speaker card and give it to the Secretary. Speaker time limits for scheduled agenda items are five minutes for designated spokespersons for a group and three minutes for individuals.

Those wishing to address the Commission on any matter not listed on the agenda but within the jurisdiction of the Planning Commission may approach the podium during the "Community Forum" portion of the agenda. The total time allowed for Community Forum is fifteen minutes with each speaker limited to three minutes.

Government Code Section 84308 (d) sets forth disclosure requirements which apply to persons who actively support or oppose projects in which they have a "financial interest", as that term is defined by the Political Reform Act of 1974. If you fall within that category, and if you (or your agent) have made a contribution of \$250 or more to any commissioner within the last twelve months to be used in a federal, state or local election, you must disclose the fact of that contribution in a statement to the Commission.

The applicant or any party adversely affected by the decision of the Planning Commission may, within ten days after the rendition of the decision of the Planning Commission, appeal in writing to the City Council by filing a written appeal with the City Clerk. Such written appeal shall state the reason or reasons for the appeal and why the applicant believes he or she is adversely affected by the decision of the Planning Commission. Such appeal shall not be timely filed unless it is actually received by the City Clerk or designee no later than the close of business on the tenth calendar day after the rendition of the decision of the Planning Commission. If such date falls on a weekend or City holiday, then the deadline shall be extended until the next regular business day.

Notice of the appeal, including the date and time of the City Council's consideration of the appeal, shall be sent by the City Clerk to all property owners within two hundred or five hundred feet of the project boundary, whichever was the original notification boundary.

The Council may affirm, reverse or modify any decision of the Planning Commission which is appealed. The Council may summarily reject any appeal upon determination that the appellant is not adversely affected by a decision under appeal.

If any party challenges the Planning Commission's actions on any of the following items, they may be limited to raising only those issues they or someone else raised at the public hearing described in this agenda or in written correspondence delivered to the Secretary of the Planning Commission.

K. PUBLIC HEARINGS

- 1. Planned Development #08-0005: The application is a proposal to construct two commercial buildings (12,168 square feet, 7,884 square feet) on a vacant 2.4 acre site at the southeast corner of Broadway and Mini Drive. No tenants have been determined for the buildings but it is anticipated that both buildings will have multiple tenants with office and/or neighborhood commercial uses. Project Manager: Marcus Adams, 648-5392.

Proposed CEQA Action: Categorical Exemption pursuant to the "In-Fill Development Projects" Section 15332 of the California Environmental Quality Act (CEQA).

- 2. Use Permit #09-0001: The Use Permit application is a request to legalize existing auto repair uses at 2040 Ohio Street. The residentially zoned property was formerly zoned commercial, and in 1963 received a Use Permit for limited auto repair (engine exchange and minor adjustments) with certain buildings being restricted to storage use only.
